Here is the procedure we will be using while on your property.

We will knock on the front door to check to see if anyone is at the property.

- If someone answers we will let them know who we are and what we are doing.
 - We will **not** be asking you any questions. Please fill out the information on the Data Inventory Sheet we mailed you and return it.
 - We will do a quick walk around on the property to check for any changes and then take a couple of pictures. We will then go on to the next property.
- If no one is at the property we will do a quick walk around on the property to check for any changes, take a couple of pictures and then we will go onto the next property. Please fill out the information on the Data Inventory Sheet we mailed you and return it.
- If you are home and do not feel comfortable answering the door that is ok! Please fill out the information on the Data Inventory Sheet we mailed you and return it.

We will be complying with all guidelines from the CDC as well as our Local County Health Department.
