

SERVING THE COUNTIES OF:  
Rice, Barton, Pawnee, Stafford, Pratt,  
Reno, Harvey, McPherson, Saline,  
Ellsworth, Comanche, Cowley, Barber,  
Kiowa, Harper, Sumner and Kingman  
FOR THE COLLECTION OF E-WASTE

**Why** **Why should you recycle E-Waste?**

E-waste is the most rapidly growing segment of the municipal solid waste stream.

E-waste contains many valuable, recoverable materials such as aluminum, copper, gold, silver, plastics, and ferrous metals. In order to conserve natural resources and the energy needed to produce new electronic equipment from virgin resources, electronic equipment can be refurbished, reused, and recycled instead of being landfilled.

E-waste also contains toxic and hazardous materials including mercury, lead, cadmium, beryllium, chromium, and chemical flame retardants, which have the potential to leach into our soil and water.

**What** **What is E-Waste?**

E-waste typically includes common electronic items such as:

Computers, Televisions, DVD Players, VCR's,  
Cell phones, Video Games, MP3 Players, Microwaves

**Where** **Where can I recycle E-Waste?**

**RICE COUNTY E-WASTE**  
**1380 W. Highway 56; Lyons**  
**Mon – Fri 8 – 4; Sat 9 -3**  
**620-257-5166**
